

Waste Management incorrectly billed the annual cart fee on your invoice dated 10/1/05. Please disregard this amount. A new invoice has been sent on 10/2/05 with the corrected amount.

To clarify: the charge for extra 96 gallon cart(s) are billed one year in advance. The annual rates cover the period for October 1, 2005 through September 31, 2006. The invoice you receive should reflect the following charges:

CHARGES	PER CART	ANNUAL	Charges for Oct - Dec 2005
<b>Basic Service (includes 1st cart)</b>			<b>***\$49.08</b>
One extra Cart	\$18.50	\$18.50	\$67.58
2nd Extra Cart	\$25.81	\$44.31	\$93.39
3rd extra cart	\$25.81	\$70.12	\$119.20
4th extra cart	\$25.81	\$95.93	\$145.01

\*\*\*This will be the last payment to Waste Management for the basic service charge. In the future the only bill you will receive from Waste Management will be an annual charge every October for the extra cart(s.)

Your basic service charge will now be reflected on the non ad valorem portion of your annual tax bill. This will cover service from January 2006 through December 31, 2006.
